Foxcroft East  
Trail Map  
January 2011

The Foxcroft East neighborhood was established in 1973. Approximately 5 miles of trails wind through our beautiful neighborhood, providing homeowners with the privilege of private walking and biking paths.

Please note that these trails are for the use of FEHA members and their guests. Take pride in our trails and help keep them free of trash and debris. No motorized vehicles are allowed on the trails.

Foxcroft East Homes Association
